

Our Mission

To strengthen, collaborate, and represent the interests of state confidential address programs across the nation.

Our Vision

To increase confidential address program accessibility and visibility, build foundations of a common identity while respecting states' individual needs, and sustaining the health of state programs through education and advocacy

Association Membership

Eligibility is limited to state-administered address confidentiality programs whose core services include providing a substitute address and mail forwarding service to victims of crime and protected persons.

Some of the Advantages of a NACAP Membership	
✓	Discounted registration fee for NACAP conference
✓	Free online training opportunities
✓	Voting rights in NACAP elections
✓	National networking experiences
✓	Opportunities to collaborate and resolve federal issues affecting ACPs
✓	Program technical assistance and support from other ACP colleagues
✓	Cost-savings from shared resources and knowledge
✓	Access to shared NACAP members' program data reports and statistics
✓	Access to NACAP email distribution lists and shared resources
✓	Improved program efficiency through professional collaboration
✓	Viewable question and answer email communications between members discussing ACP problems
✓	Updates and Action Alerts impacting ACPs
✓	Your state program's name displayed prominently as a NACAP member on conference materials and website
